Dear Potential Applicant:

We appreciate your interest in a summer staff position at Stronghold Summer Camp. Along with this letter you will find a summer camp brochure, a position description, and a Stronghold Camp Summer Staff application. We hope that you prayerfully consider applying for one or more of the positions or pass this information on to others you know that may be interested and qualified.

Stronghold Summer Camp is the summer camp ministry of Blackhawk Presbytery, Presbyterian Church (USA). Stronghold has been a Christian conference center since 1963 and is located in the beautiful Rock River Valley. Stronghold has a swimming pool, riverfront property to launch canoes, High Ropes and Initiatives courses, and acres of wooded trails. Stronghold Summer Camp was established in 1963 and has a long history of ministry to children and youth. The program has impacted thousands of people and produced many life-changing experiences at Stronghold. We are looking forward to another great summer!

Since the quality of our staff is most important, it is critical that we find talented and energetic leaders to continue the growth of this ministry. The camp brochure in this envelope will explain the basics of the summer camp program and what each camp is like. If you want a fun and meaningful summer experience, consider applying for a position on the Stronghold Summer Staff team.

If you are interested, please fill out the enclosed application form and send it in as soon as possible. When we receive your application, we will contact your references and begin the interview process. Please take care to choose adults who know you well and will be able to answer questions about your character as well as your talents and abilities. Please do not list family members or peers. We look forward to hearing from you!

Peace and God Bless,

Ryan Anderson
